Cluj delegation presents the next meeting to be held on March 2018 - tbd

Venue: Urban Center Bologna

17:00 – 19:00

Public event: "Migrants and young generations: Bologna picks up the challenge. Case studies from Eucanet partners"

The city of Bologna describes its effort in improving its expertise and tradition of citizens participation. This expertise has been functional in managing the migrants integration and the collaboration of young generation to the urban life. Cluj and Skopje, as partner of the EUCANET project, are strongly encouraged to give a presentation on how they have been able to involve migrants and the young generation in the urban transformation process.

Intervengono:

Pietro Florida, Art Director MET project - Cantieri Meticci

Stefania Paolazzi, Urban Center Bologna

Yassine Laframe, Coordinator of the Islamic Community of Bologna

Azeb Lucà Trombetta, Cultural Mediator
